### **AMUSEMENTS**

"BEHIND THE DOOR". A RED-BLOODED THRILLER

The men screamed with horror For behind the door they saw some thing that robbed them of speech, a nameless terror that chilled their

blood. What was it? Well, that would be telling. It's all in the pic

you did read it, you'll admit it was some story. Strong dramatic unusu al exciting Thomas H Ince has pro duced it as a Paramount-Arteract ple ture, with Hobart Bosworth starring Door" is a story of the sea. Bosworth is the captain of the ship. Jane Novak, who has played opposite William S. Harr and Charles Ray in several pictures, is the leading lady. The captain's day had come! The man bride, was paying there behind the

housand tons of canned salmon, sar dines, rice, cannel and evaporated products from the Pacific Coast will invade the Argentinian market when the shipping board steamer Pallas tors of the yessel, who said there had been a big demand for cargo span The miscellaneous cargo is in add tion to a big consignment of lumber No difficulty in obtaining a return

cargo was reported. South American merchants having signed up to ship linseed, quebracho extract, used in tanning, dry and green hides, corn, seeds from Aregatina and Santos coffee from Brazil. The route of the line will be down the west coast and through the Straits of Magellan, returning by way of Brazil and the Paama canal.

Heretofore Pacific Coast products ave had to travel across the United tates by rail before going to South America, according to steamship men, while lumber from the southern ates has been used in the southern ontinent instead of west coast lumer. Fir and spruce will be the Palis" lumber cargo. It is expected one and redwood wills be shipped

The Paphos, also a 750-ton boat, will follow the Pallas in July, and he shipping board expects to allocate a third boat for the Argentine route, according to the operators.

# **Broken Hills District** Shipping High Grade

To date 400 tons shipped to Broken Hills vein Western Ore Purchasing com pany from the property has netted

etter than \$125 per ton nd Arthur report that locations have corrounding the Broken Hills propcity. Mining men have poured in from all directions, including Austin, Fallon, Ely and Reno.

The Broken Hills property has re ently been examined and reported on by such well-known engineers as barles Kaeding, formerly consulting numeer of Captain Delamar, now unineer of the Dome Mines company orporation and of the Candelaria Silver Mining company; Arthur Perry Thompson, the far-famed consulting peologist formerly of the Anaconda Copper company, and Governor Emmet Boyle.

Geologist Thompson, when inter iewed today, stated that about \$200, 00 worth of ore had been opened up y Stratford and Arthur, working ingle handed down to the 150-foot point in the mine. Covernor Boyle is quoted over his

wn signature to this effect "I con ider the Broken Hills property a re narkably promising prospect 1 may to further and say that it is the best howing I have seen in any new ter itory in Nevada for many years." Eugene Grutt said "I sampled the

Broken Hills vein at the 150-foot level ind obtained an average of \$23.50 m on for a width of eight reet. This is the sulphide zone. The vein is pproximately 58 feet wide.

The Broken Hills is not the only coperty in the vicinity which is reparted to be in high grade ore. The

### MINIATURE CLOUDBURST STRIKES SILVER PEAK

Silver Peak appeared to be the center of yesterday's storm in this region as if rained torrents in that quarter beginning with a small cloud burst that carried out the dam at Alkali and covered the dry lake with water. One feature of the storm was a heavy hall that fell for an hour covering the ground to a depth of several inches. Some of the hall those interested in said entangement of the storm was about not be granted and heat interests of sa Alkali and covered the dry lake with several inches. Some of the hall stones are said to have ben as large as pullet's eggs.

PUBLIC NOTICE TO

CITIZENS OF TONOPAH

It has come to the knowledge of this committee that there is much alk of a miners' strike on the streets and about the town. Thorough inestigation leads us to conclude that this is the result of gossip and sponsible talk. This committee recmmends that the people of the town ease talking strike and passing along unfounded rumors. (Signed)
